Summary

Full Stack Developer | MERN Stack | EJS & React Projects

Hi! I'm Aswin Babu, a passionate full stack developer with real-world project experience and strong technical skills. I love building clean, scalable apps and solving real-world problems through code.

What I Bring to the Table:

Frontend: React.js, Redux, EJS, HTML5, CSS3, JavaScript (ES6+)

Backend: Node.js, Express.js, RESTful APIs, JWT Authentication

Database: MongoDB

Tools: Git, GitHub, Postman, VS Code

Extra: Razorpay integration, PDF & QR code ticket system

Version Control & Deployment: GitHub

Projects I've Built:

EchoTix – Concert ticket booking system with QR, payments, PDF, and admin dashboard (EJS + React versions)

Hospital Booking App – Role-based appointment system with assistant features

News Today – Dynamic news platform with filters for language & country

Training:

Completed full stack training at Mashup Stack, Kochi – Real-time project experience, teamwork, and complete tech stack mastery.

Open To: Full-Time • Internship • Remote Roles

Let's connect and build something awesome together!
